SWARNIM GUJARAT GOLDEN JUBILEE CELEBRATION

The Government of Gujarat celebrated Golden Jubilee Year of its inception in 2008 by organizing various academic and cultural activities in educational Institutions. The Government of Gujarat also sanctioned financial aid to all these institutions for organizing these activities. Our college, Shree J.M. Patel Arts College, Anand, also received the financial aid of Rs. 1, 20,000/- during the academic years 2009-10 and 2011-12. With the help of this financial aid, our College set up various Committees like Gyan Mahotsav Committee, Samaj Seva Committee, Sangeet Mandali, Art Lovers Circle, Creative Writing Club, Elocution Competition Committee, Drama Committee and Sport Fitness Club. All these Committees organized various programmes to commemorate the Golden Jubilee Year of Gujarat.

Our College also organized two classroom seminars for students about "Universal Terrorism" and "Global Warming" under this scheme. We also organized a lecture of Dr. Bhaubhai Parmar on "World Population Day." During these two academic years, our principal, Dr. Vipulbhai Shrimali consciously and consistently organized various programmes for skill development of the students and quality development of the teachers. In short, the whole exercise remained a fruitful experience.

“VANCHE APMS”

Today reading has been forgotten by the students and teachers from the education system. Teachers and students are depended on materials. It is the serious matter for us. Instead of being dependent on materials teachers and students should go beyond the subject and knowledge.

Therefore Mr. Parth .B. Patel sir, CEO of APMS, brought a new thought in the Education and started a new project as “Vanche APMS”. Under this Project the books of various subject like Sociology, Science, History, Novels, Poetry, Stories, Motivational books etc. have been kept in the library. There are around 700 books in the library under this project.

The project was started on 03 July 2016. This project is opened for all the colleges of APMS campus. The students can issue the books, then they have to write book review so that they can learn to read, think and write. The book reviews are kept on the display board of the library to motivate students. This project also has generated some interest among the students and it has started bearing some fruits.

Quality Enhancement Drive programme-1
Helping Hand

The President of Anand People's Medicare Society, Shri Bipinchandra P.Patel (Vakil), always insists for Innovative Methods and Genuine Practices for creating a culture of quality and achievement on our campus. One such programme is Helping Hand. The President asked the Secretary and Registrar of the Campus to implement it among the students. The idea behind this is to achieve a rank in Top Ten in the University Result. The Secretary and the Registrar of the trust set with the first five Rankers of the College in every year in every institution and did a SWOC analysis of the students. The Helping Hand team found some alarming information about the condition of teaching learning process in every institution. The team took immediate action and removed all deficiencies. The result was fruitful.

This is an ongoing activity. The Secretary, with the help of Principal of every institution, applied this method for the staff to achieve the quality in them and create a genuine academic environment among them. We feel this is a joint effort, and all should contribute towards it.
